

We Can Guide You To The Path Toward Your Real Estate Goals.

Over the last decade, Twomey Latham has successfully represented our clients in over \$5 Billion in real estate transactions. We have also helped clients bring their development proposals to fruition and advised others on how to comply with federal, state and local environmental laws.

For nearly 50 years, the Firm has represented buyers and sellers of residential and commercial real estate throughout Long Island, in New York City and beyond.

Our team's extensive experience in the areas of real estate transactions, development, and land use ranges from complex construction projects involving commercial and multifamily buildings, to traditional residential real estate closings.

Twomey Latham also advises clients on the business aspects, financing and tax implications of all such transactions and projects.

The firm's real estate capabilities include:

- Commercial & Residential Real Estate Development, Purchases and Sales
- Zoning and Land Use Regulation
- Federal, State and Local Environmental Compliance
- Commercial and Residential Landlord-Tenant Disputes and Leasing
